Snapshot of Community Engagement Initiatives December 2022 to February 2023

Beat the Streets

This event was set up this event 10 years ago where it was identified a need for an event on a Saturday night for the young people. During Covid, unfortunately, this event was prevented from going ahead. The event took place again after the pandemic. An Garda Síochána reached out to the FAI. The applications for participating teams, were available through the secondary schools and at Garda Stations. An Garda Síochána promoted this event at their visits to the secondary schools. There was great interest in the event which proved most popular and attracted great numbers in attendance. It could be the start of a career in soccer for the next Irish Roy Keane.
