What is the “Clare Public Participation Network” (PPN)

The 'Clare Public Participation Network' (PPN) is a new framework for public engagement and participation. It will involve more extensive and diverse input into decision-making at local government level in Clare through the involvement of sectoral interests. The PPN will be the main link through which the local authority will connect with the community, voluntary and environmental sectors. The PPN will be the main channel through which people will be selected to participate in various processes of the County Council and its boards/committees. The PPN will be organised at County level and also at Municipal District level.

Completed forms should be returned to Valerie Fleming, Tourism & Community, Clare County Council, New Road, Ennis, County Clare by Friday 9th January 2015.
