RE: [REDACTED]

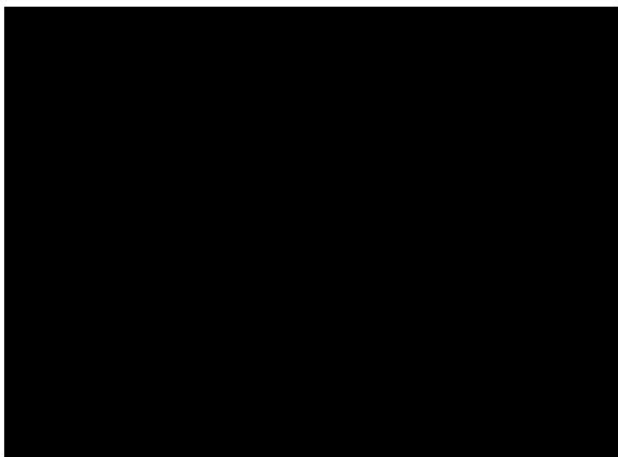

DATE: 26th March 2025

A chara,

In assessing the lands in the ownership of [REDACTED] for the Residential Zoned Land Tax (RZLT), I feel that there is merit in reviewing the zoning of the parcel of land outlined in the attached map.

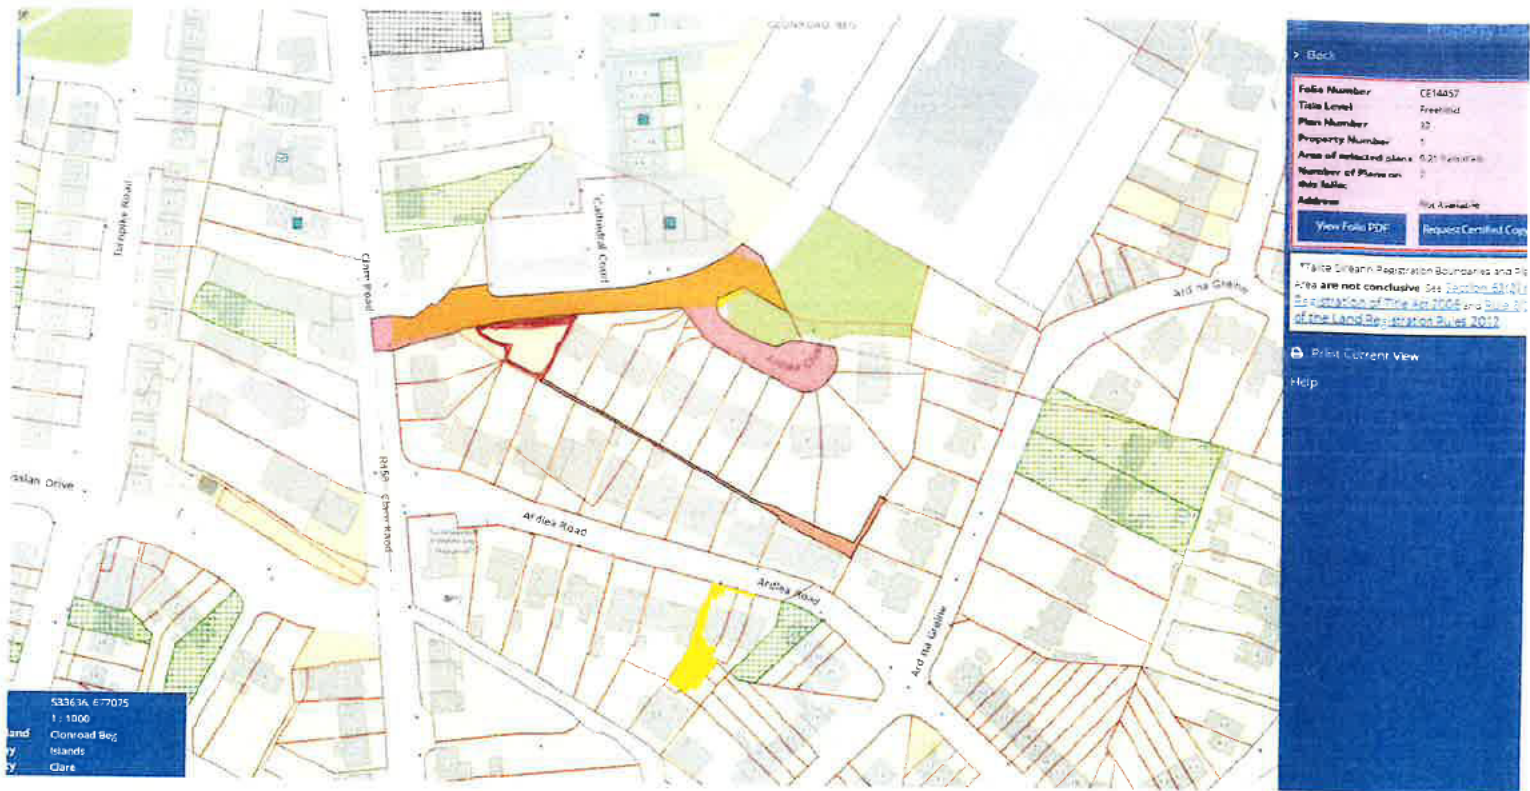

Basis for request

The piece of land (shown outlined in red on the attached map) is a small piece of open space within the existing development and should not be zoned residential.

Folio – CE14457

Lands at Ardlea Close, Cathedral Court, Clonroadmore, Ennis

Residential Zoned Land Tax - Final Map for 2025 Department of Housing, Local Government and Heritage
